If the Agency determines it is unable to guarantee the loan, the lender will be informed in

writing. Such notification will include the reasons for denial of the guarantee.

(b) *Ineligible applications.* If either the borrower or the project is ineligible, the Agency will inform the lender in writing of the reasons and provide any appeal rights. No further evaluation of the application will occur.

(c) *Incomplete applications.* If the application is incomplete, the Agency will identify those parts of the application that are incomplete and return it, with a written explanation, to the lender for possible future resubmission. Upon receipt of a complete application, the Agency will complete its evaluation.

(d) *Technical merit determination.* The Agency's determination of a project's technical merit will be based on the information provided by the applicant. The Agency may engage the services of other government agencies or recognized industry experts in the applicable technology field, at its discretion, to evaluate and rate the application.
